

School Lottery

Dear Parents,

Exciting news!

The 'Friends of Nathaniel Newton' team have joined the School Lottery!

Our first draw is on Saturday June 11th, and we would be delighted if you could support the school by taking part if you can.

Tickets are £1 each (you can purchase more than one if you wish) and the lottery is drawn every Saturday.

The jackpot prize is £25,000 countrywide, but a ticket holder from **our school** is guaranteed to win a prize to the value of 30% of our schools total ticket sales every week!

'Your School Lottery' works with thousands of educational establishments in the country and this year was awarded Lottery Operator of the Year by The Lotteries Council. 'Your School Lottery' handles the registering, payment and administration of the lottery. For every £1 ticket sold the school receives a whopping 40p! Tickets can be purchased on a monthly basis by direct debit or on a pay as you go basis by debit card through the 'Your school Lottery' website. The winners will be informed by 'Your School Lottery'.

We are sure you will agree that this could be a marvellous way of supporting us to raise money for equipment and activities to enhance your child's school experience, whilst hopefully giving you a chance for a lucky break!

Some flyers are attached to this email and the link to the 'Your School Lottery' website to sign up is:

A link is also available on our school website under the 'Our school' page and 'Friends of Nathaniel Newton' tab. We will also be posting links on our Facebook page regularly to remind you to have a go! Remember to share these posts to your friends and family members as it does not have to just be parents of our pupils that can support our school.

We know how tight money is for our families at the minute, and we are incredibly grateful to have such supportive parents. You are always amazingly generous. Of course, we would urge you to only take part in our lottery if you are comfortably financially able to.

Thank you for your continued support and good luck in the draws!!

Thank You

Friends of Nathaniel Newton
