

## Homework ideas My World and Me!

Our topic for the first half term is 'My World and Me'. During this topic we are excited to learn all about our school and local area, and explore maps and features of our environment. We are also going to think about our bodies, keeping ourselves clean and how we use our senses. Further to this we will discuss and share memories of ourselves and our families. Below is a menu of different homework ideas that we think you will enjoy, please choose as many activities as you would like to complete. This is a lovely opportunity to share and discuss your child's learning and work in partnership with them to create and work together. Be as creative as you want to be, we can't wait to see your fantastic home learning!

- A senses journey to school – using your senses to discover what you can see, hear, smell, touch and taste on your way to school.
- Make a map of your journey to school.
- Look through family albums at home, using historical language to talk about them.
- Make a family tree.
- Counting house numbers and recognising house numbers.
- Learn their address and house number.
- Create your own home through painting, drawing and building etc.
- Gather photos, images, objects, artefacts, leaflets and tickets etc from the local area.

We have created an exciting fact sheet on the reverse to help develop your child's vocabulary within our topic 'My World and Me'.
