

Homework ideas for our Toys topic

Happy New Year! Our topic for the first half of Spring is 'Toys'. During this topic we are going to be learning about old and new toys and making comparisons between them, and investigating the different materials they are made from. We are also looking forward to painting one of our favourite toys and describing it. Below is a menu of different homework ideas that we think you will enjoy, please choose as many activities as you would like to complete. This is a lovely opportunity to share and discuss your child's learning and work in partnership with them to create and work together. Be as creative as you want to be, we can't wait to see your fantastic home learning once again.

- Have a discussion with your family (parents, grandparents, aunts and uncles etc) about toys they had when they were a child and which toy was their favourite. How are they the same and different to your toys?
- Find out what your favourite toy is made from and why it is made from that particular material.
- Make a model of one of your toys.
- Take photos of you and your favourite toy in different locations i.e the park, cinema etc.
- Write sentences to describe your favourite toy.
- Read some toy based stories and write a sentence about what you liked/enjoyed about the book.
- Create your very own imaginative toy story.
- Write a set of instructions on how to play a game i.e hide and seek.
- Play a board game with your family and take a photo of you all playing it.
- To visit a museum.
