*Learning Together to be the best we can.*

Dear Parents/Carers

Since the start of the school year we have received complaints of inconsiderate and dangerous parking outside our school site. This behaviour and standard of driving and parking are wholly unacceptable and most importantly put our children's safety at risk.

We request that you adhere to the following.

- Do NOT park or drop off on the 'Keep Clear' school zig zags markings under any circumstances
- Do not use the school driveway to park in or perform U-turns
- Do not block pavements, driveways, or pedestrian access
- If parking, do so safely, giving due regard to pedestrian right of way
- Always adhere to local parking restrictions
- Behave in a manner that is respectful towards others — including pedestrians and residents.

We would remind you that drivers parking irresponsibly or illegally place themselves at risk of being prosecuted/issued tickets by both Council Wardens and Police.

We are aware that parking around school sites at the beginning and end of the school day is challenging. Where possible we would encourage you to walk to school with your child, or if it is necessary to use a vehicle to drop your child off, then we request that you allow extra time to park further away from the school in order to and drop off safely and legally.

We know that the vast majority of our parents share our concerns regarding this matter and park responsibly. We expect cooperation of ALL parents in this matter so we can work together to keep our children safe.

Yours sincerely

Mrs J Forshew  
Head Teacher
