

# Nathaniel Newton After School Clubs

**Thursday 21st December 2023**

This term we will be offering after school clubs to both Years One and Two with the exception of Science and Cooking which are Year Two only. The details of the clubs are overleaf. Please log on to the School Cloud website to book your child's place. You will find the instructions for doing so overleaf. By signing your child up to a club you agree to the 'school expectations', which can be found on the back page.

Charges for each club are listed in the attached chart. Moving forward, some clubs will be free to attend as we have taken the decision to entirely fund them from our school sports premium grant.

Places are allocated on a first come first served basis and booking will open on Friday 22nd December at 7pm and will close on Sunday 7th January 2024. Clubs will start week commencing 15th January 2024 and will run for 4 weeks. The final week of clubs will be week commencing Monday 5th February 2024.

In order to ensure fairness for everyone, children are restricted to a maximum of **ONE CLUB ONLY (in the first instance)**. There may be the opportunity to book one additional club if there are spaces available. The clubs with available spaces will reopen on Tuesday 9th January 2024 at 7pm.

**Could we also remind you of our school expectations for after school clubs which are on the last page of this information.**

Occasionally it is necessary to cancel after school clubs at short notice, please check for messages during the afternoon of your child's club.

Due to the extension of our School day from January, After school clubs will run from 3.20pm-4.20pm each day. Collection is from the main playground at the new time of 4.20pm where your child will be dismissed by Mrs Reynolds.

## After School Club Expectations

1. All children signed up to a club will be expected to attend, unless we have verbal or written communication from a parent or carer, or if they are ill. If we do not receive notification your child will be sent to their respective club.
2. Parents or carers should inform the school office if their child is not attending a club.
3. Children should be collected promptly at the end of the session, at 4.20pm. If children are being collected by somebody else please notify the school.
4. Children will be expected to follow school rules whilst in their club and to respond to instructions given by an adult. External providers have been informed of the school relationships policy and they will communicate with school staff to share any behaviour issues which will then be communicated to parents.
5. If children do not attend regularly, their place may be withdrawn and offered to another child who may wish to attend.

These expectations are to reinforce the importance of safeguarding within school as it is our duty to ensure our children's safety at all times.
