Learning Together to be the best we can.

Dear Parents / Carers,

RE: Importance of Respectful Behaviour Towards School Staff

I hope this letter finds you well and everyone had an enjoyable half term break.

We, as a school community, are immensely grateful for the ongoing support and cooperation we receive from our dedicated families. Your involvement in your child's education is invaluable, and it contributes significantly to their overall success and well-being.

However, we are very saddened to report an increase in instances of disrespectful and distressing behaviour towards our school staff. As educators of your children, our staff members work tirelessly to provide the best possible learning environment and support for all children. They deserve to be treated with kindness, respect, and consideration at all times.

We understand that conflicts or concerns may arise from time to time, but we kindly request that such matters be addressed in a respectful and constructive manner. Verbal abuse, threats, or aggressive behaviour towards any member of our staff will not be tolerated under any circumstances.

Please be reminded that such behaviour not only undermines the morale and well-being of our staff but also sets a poor example for our children. It is essential for us, as role models, to demonstrate empathy, patience, and respect in our interactions with others.

Our priority is to ensure a safe and supportive environment for all children, staff, and visitors. In the event that behaviour towards school staff is deemed unacceptable, we reserve the right to take appropriate action, including but not limited to restricting access to the school premises. Please refer to our policy on our school website – 'Expected Behaviour of Parents and Visitors on the School Premises' for further information.

We want to emphasize that the vast majority of adults demonstrate the utmost respect and cooperation with our school staff, and we sincerely appreciate and thank you for your continued partnership in fostering a positive school community.

Thank you for your attention to this matter, and please do not hesitate to contact me if you have any questions or concerns.

Yours sincerely

Mrs J. Forshew
