

## Reception Homework Ideas - Secret Garden

Our topic for this half term is 'Secret Garden.' During this topic we will be observing animals and plants. We will be looking at the conditions needed for plants to grow and learning about the life-cycle of animals.

Below is a menu of different homework ideas that we think you will enjoy, please choose as many activities as you would like to complete. If you have any other ideas linked to the topic, then we would love to see them.

This is a lovely opportunity to share and discuss your child's learning and work in partnership with them to create and work together. Be as creative as you want to be, we can't wait to see your fantastic home learning!

- Grow your own plants or vegetables e.g. cress or a sunflower
- Visit a zoo or farm
- Make an observational drawing / painting of a flower
- Use natural objects to make a piece of art work
- Dissect a flower and label the different parts
- Go on a minibeast hunt - how many different insects can you find?
- Make a wormery / minibeast hotel
- Play a board game - focus on turn taking and subitising numbers on the dice
- Find out some facts about your favourite minibeast
