Learning Together to be the best we can.

Dear Parents/Carers

I hope everyone has had an enjoyable summer. It has been great that the weather has been kind to us in the most part!

We are delighted to have welcomed the children into school today, all looking smart in their uniforms. Today, we have welcomed our new reception children into school for a 'stay and play session' and tomorrow and Thursday will see their first full day in school.

Thanks to the hard work and dedication of our staff team in giving up some of their holiday, the inside of the school is looking welcoming for the children on their first day back. I sincerely thank the team for their hard work over the summer.

I would like to officially welcome Mrs Lindsey (Reception teacher) and Mrs Gordon (Y2 teacher) to our school. I know they are delighted to be teaching at Nathaniel Newton.

As you arrived this morning you will have noticed that work on the school site is still ongoing. Unfortunately, despite the work being scheduled to be completed at the end of the holiday there have been some unexpected complications which has meant the work is expected to overrun by two weeks. Please bear with us for the next two weeks whilst this work is completed. On the bright side, a brand new boiler will ensure the school is warm when the heating is needed!

This year I would like to introduce a new way to celebrate the children's birthdays. On the day of their birthday, children are invited to come to school wearing non-uniform. If your child's birthday falls on a weekend or in a holiday they can wear non-uniform on either the Friday before or Monday after. In school we will also have a range of decorative items such as large badges, hats, tiaras etc. that the children can select which one they would like to wear during the day in school. This is entirely optional and children do not have to take part if they don't want to. I introduced this in assembly this morning and it went down very well with the children.

We look forward to working with our families again this year to ensure the children receive a fantastic education and enjoy their time in school.

Yours sincerely

Mrs J Forshew
