

# Year 1 Classroom News

Autumn Term 1 — October 2025

## The Year 1 adventure begins...

What an amazing start to life in Year 1 for the Owls, Rabbits and Squirrels! All of the staff who work in Year 1 have been so impressed with the brilliant transition that the children have made. Throughout the half term the children have been busy building up their skills of independence and resourcefulness in their new learning environment. The children have also been able to explore our new outdoor learning space which has been fabulous! Thank you to all of those parents and members of our school community who have made donations of items towards it.

Owls, Rabbits and Squirrels have been developing independent learning skills through practical activities in maths and wider curriculum areas.

# Life in Year 1

We have been doing lots of our learning outside including PE, Art, Geography and even RE.

Developing our sketching skills

Learning about our local area.

To finish off our half term we have been learning all about China as part of our Multi-Cultural Week. The children had so much fun!

On behalf of the whole Year 1 team I hope you have a fantastic half term.  
Mrs Carly Evans, Year 1 Team Leader
