Headteacher Mrs J Forshew

Learning Together to be the best we can.

Monday 19th January 2026

Dear Parents and Carers,

I hope this letter finds you well. I am writing to remind you that our car park is designated for staff and visitors only. Due to its limited size, it is not suitable for additional vehicles. We kindly ask that parents refrain from driving onto the car park when dropping off or collecting children from Links or clubs. Driving onto the car park also puts children's lives at risk who may be leaving Links or the clubs.

Recently, we have experienced incidents where vehicles have damaged our fence between the car park and playground, which will result in costly repairs. This follows a previous incident earlier this academic year when a bollard at the top of the drive was also hit. Unfortunately, the school cannot sustain the financial burden of these repairs, and we appreciate your understanding and cooperation in this matter.

Additionally, please be aware that we are in the process of replacing our heating system after school hours. This will necessitate the presence of additional contractor vehicles at the end of the day, further limiting the available space in the car park.

We appreciate your support in ensuring the safety and accessibility of our school premises. Thank you for your attention to this important matter.

Yours sincerely

Mrs J Forshew
Headteacher
